Unfair, fairer, fair worksheet

Instructions:

Name of local issue I think is unfair: _____

In small groups, investigate further reasons why you believe it is unfair. Has it always been unfair?

Then look at things which could be done to make it fairer and who would do them.

Present your findings to the class. As a class, discuss whether the things to make it fairer will still make it so in the future. Complete the third column following this discussion.

Unfair	Fairer	Fair
What are the reasons why you think this issue is unfair?	What things could be done to make it fairer?	Will the things done to make it fairer still make a difference in the future? Why or why not?
