

What's new for Project Compassion 2007?

Watch the NEW Caritas Australia 2007 Story

Meet Farid from Bangladesh who features on the Project Compassion poster and learn about his community in Bangladesh who are now enjoying fish and a variety of vegetables all year round.

The film is available in 10, 6 and 3 minute versions.

Show it to your Parish Priest and if possible, organise to show it during/after mass during Project Compassion.

NEW website at www.caritas.org.au

Make sure you check out Caritas Australia's new website at www.caritas.org.au

Please email photographs of your parish activities to projectcompassion@caritas.org.au so they can be posted on the website to inspire others!

Caritas K's

Caritas K's offers your community an opportunity to cover kilometres for compassion by running, walking, swimming or cycling as an act of connecting with those who have to cover many kilometres each day to fetch water, obtain food, get to school or market, or simply to survive.

Why not get your whole parish running or walking this Project Compassion? It provides parishioners with a great way to relate to communities in places such as Bangladesh who have to walk or cycle many kilometres each day to get to the local

markets to sell their fish or to buy other essential goods.

Get the whole community involved today.
