

# Be a Catholic Earthcare Creation Changemaker

**Creation Changemakers** is a new campaign led by Caritas Australia's Catholic Earthcare program.

The campaign is designed to support schools to take meaningful, faith-filled action for ecological and social justice during the Season of Creation.

## Why be an Earthcare Creation Changemaker?

- Join a global community, caring for our common home
- Deepen your community's connection between faith and sustainability
- Align with the Laudato Si' Action Plan and Catholic Social Teaching
- Receive recognition through the Catholic Earthcare Program
- Build student leadership, creativity, and responsibility

## Your mission: Create a Garden of Peace

This year's global Season of Creation theme is 'Peace with Creation', symbolised by the **Garden of Peace**. As a symbol of peace, we encourage all schools to incorporate doves into their garden. A template is provided. Every school, no matter its size, location, or starting point, is invited to participate.

## What can your school do?

There's a way for everyone to participate meaningfully in the Creation Changemakers campaign.

Find out more and **register** your school at [caritas.org.au/changemakers](https://caritas.org.au/changemakers)

## Early Bird Incentive

The **first 50 schools to register** will receive **40 pairs gardening gloves** to support your Garden of Peace project.
