

YOUR DONATION COUNTS

\$8,623

\$8,623

Can go towards the production and fitting of custom-made prosthetic limbs for a patient in Gaza.

\$6,000

\$6,000

Can help establish a 25,000 litre water tank and water collection point for a school in rural Tanzania, which can supply safe drinking water for 1,000 students.

\$4,000

\$4,000

Can rehabilitate the main pipeline for a piped water supply system, which can give life to a dilapidated water system and supply safe drinking water to 4,000 people in Tanzania.

\$2,000

\$2,000

Can help to establish two domestic water collection points in rural Tanzania, which can provide safe drinking water supply for 800 people.

\$1,400

\$1,400

Can support one month of a nurse's wage in Gaza, providing critical medical care for up to 200 patients.

\$533

\$533

Can support the supply of essential medications, medical supplies, and equipment for the treatment of eight individuals in Gaza and the West Bank.

\$235

\$235

Can offer training and peer learning on agriculture, livestock, aquaculture, handicrafts, small business, vocational skills, and community leadership.

\$100

\$100

Can help support a solar streetlight that brightens a village in Fiji at night, helping children to study and walk safely.

\$64

\$64

Can restore water sources and promote tree planting to improve irrigation, drinking water, and biodiversity in vulnerable communities in Bangladesh.

\$25

\$25

Can provide a hygiene kit to help keep families in Tanzania safe from diseases like cholera, typhoid, and hepatitis E.

Shade as you fundraise!
