“MDF teach us how to use digital tools for inclusion. [...] These tools give us the power to inform others about our reality, and to change things.”

Maristely, Favela Young Leader, São Paulo, Brazil

“Each person is a member of society [...]. It is not just certain individuals but all people who are called to further the development of human society as a whole.”

Pope Paul VI, Populorum Progressio, on the Development of Peoples, 1967, #17
