# Matching Gift Disclosure Statement

## FY27 Safer Births Giving Day - Women for the World Melbourne Event
## One Day Only Matched Giving Campaign

Matched giving is a form of fundraising in which one or more lead donors match the donations of others by donating an equal or predetermined amount. Matched giving involves Caritas Australia securing a lead donation amount(s) (matching gift) from a pledging donor or donors for a fundraising campaign and promoting to the community or group of potential supporters that their donation in response to the campaign will be matched to the value of the lead donation amount. This value is our matched giving appeal target. Caritas Australia is committed to communicating transparently and responsibly throughout this process.

**Safer Births Giving Day – Women for the World Melbourne Event Matched Giving Campaign Target: $100,000**

*This will consist of $50,000 of matching/lead gifts and $50,000 of matched gifts in response to the campaign.*

**Safer Births Giving Day - Women for the World Melbourne Event Matched Giving Timeline (One day only):**

Start Date: 30 October 2026
End Date: 30 October 2026

Once the campaign target is achieved, this will be clearly communicated on the matched giving website. It will also be communicated on the appeal form that donations will no longer be matched once the campaign target is achieved and/or **11:59pm on 30 October 2026** is reached.

If the campaign target is not achieved, the lead donor will be notified of the change of circumstance to discuss options for their gift and/or a possible campaign extension.

If the lead donor is no longer able to commit/fulfill their pledge donation as indicated on their pledge form, the lead donor must notify Caritas Australia as soon as possible to discuss alternative arrangements. If they are no longer able to fulfill the gift, those supporters who donated in response to the campaign will be notified via email to discuss alternative arrangements.

All lead donations will remain anonymous unless indicated by the lead donor that public acknowledgement is approved.
