

# DIGNITY OF THE HUMAN PERSON

Did you know  
that everyone in  
the world is made  
in the image of God?  
This means that  
everyone is very  
special.

We should treat every person  
the same way we would like  
to be treated.  
This is what Jesus taught us.  
It's an important tip that  
Caritas uses a lot.
