

## Maristely as a Young Leader: Just Leadership Awards

### Instructions:

Getúlio, the MDF Youth Empowerment Program coordinator, says that *“Maristely is a flower who has bloomed in the middle of the favelas.”*

Imagine Pope Francis was giving out Just Leadership Youth Awards. In groups, discuss why you think Maristely deserves the award. On the flower template on the next page, write your reasons, including Maristely’s just leadership qualities, on the flower petals.
