

Loving God,

As we come together to share a meal, we give thanks for the food we are about to receive.

We praise you for the gift of creation which provides us with nourishment, and we give thanks for those who work to make it possible.

Bless this food as it sustains us, and fill us with gratitude;

as we are reminded of our global brothers and sisters who suffer from hunger each day.

We pray that we may work together to ensure that all that are hungry, are fed.

In Jesus' name,

Amen
