WELCOME

KIRSTY ROBERTSON CARITAS AUSTRALIA CEO

Last year was filled with emergencies and crises that many of us could have never imagined happening in our lifetime. For many vulnerable communities across the world, 2022 proved to be even more challenging and devastating than 2020 and 2021. Yet, despite everything we have endured in recent times, I have faith that together, as one human family, we can continue to work to make the world a more just and better place for all.

Each year, Project Compassion comes as a timely reminder of the importance of solidarity and how a single act of kindness – whether big or small, can make a life-changing impact in the lives of those who need it most.

I too discovered the impact that my donation could have when I was very young and first came across the Project Compassion box. I knew then that, through the power of kindness and generosity, I could have a long-lasting difference in the lives of future generations.

The theme of Project Compassion is *'For All Future Generations'*. This phrase is a powerful affirmation that the good that we do today will extend and impact the lives of generations to come. It is also a call for all of us to play our part in making the world a better place by working together as sisters and brothers in finding long-term solutions to global issues.

This year, the theme asks us to think about the great 'yes' that Mary spoke when the angel told her she was to become the mother of Jesus. She freely accepted God's invitation to take up a unique place in the history of the human family. The prayer Mary shared with her cousin Elizabeth says, "all generations will call me blessed". Her 'yes' is for all future generations.

Project Compassion 2023 brings us the stories of four incredibly inspiring individuals whose futures have been touched by the relentless work of our partners

and by your unwavering generosity. There is the story of 16-year-old Laxmi, who lives in one of the most remote communities in Nepal. After losing her father at a young age, she was vulnerable to falling further into extreme poverty. But thanks to your generosity, and the support of our partner Caritas Nepal, Laxmi joined a child club, became a leader in her school and is now a mentor to other girls in her village.

This year, we are also bringing you the story Thu from Vietnam who, with the support of the Centre for Sustainable Rural Development, can now earn extra income and care for his wife despite his disability. There is also the story of Priscilla from Zimbabwe. Thanks to your support, she has had the opportunity to learn conservation farming skills to grow drought-resistant crops and farm poultry to support her family during the current food crisis. And finally, there is the story of Tereesa – a Gamilaroi woman from Western Sydney who struggled with homelessness while raising her four children. Through the Baabayn Young Mums and Bubs program, she was able to reconnect with her culture and create a better future for her children.

On behalf of everyone at Caritas Australia, I want to thank your parish for your ongoing compassion and support towards the work that we do. These inspiring stories are living proof that your generosity can make a life-changing impact and create better opportunities so that future generations may live to their full potential and thrive.

With gratitude,

Kirsty Robertson

God of all generations,
We thank you for those who have gone before us,
especially those who have cared for your earth and
who inspire us to help respect your creation
and contribute to its healing.

We thank you for those with whom we share our lives today,
especially those who work for justice and peace.
May we welcome the opportunity that Lent brings
to walk more closely with you,
especially through fasting, almsgiving and prayer.

We thank you for the challenge of the future.
May the cross of Jesus remind us that only love finds the way forward.
As we work with big hearts, may we join with Mary in her hope
that from now on all generations will experience
the great things you will do through us.
We ask this in Jesus' name.
Amen.

PROJECT COMPASSION SUNDAY REFLECTION WEEKEND OF 18-19 FEBRUARY 2023

LAXMI,
NEPAL

PRISCILLA,
ZIMBABWE

Yes is a wonderful word but it can be misused. People who live in fear often feel compelled to say yes because they are too frightened to say anything else. Even people who take on too much might find themselves getting tangled up because they feel they have to say yes to everything. Saying *no* might actually be a more genuine form of yes. Perhaps you need to say no to the expectations of others in order to truly say yes to life and to God. Scripture is full of people whose yes to God was confusing to others.

Today's readings ask us to think about the word yes. In the reading from the Book of Leviticus, we are asked to say yes to our neighbour. The reading from the letter to the Corinthians says that the wisdom of this world is foolishness to God. Our faith means saying yes to a very different approach to life. Finally, in Matthew's Gospel, Jesus tells us to forget about revenge, to stop our dog-eat-dog mentality, and to say yes to forgiveness and generosity. Indeed, we have to say yes to our enemies.

These are great readings to take with us into Lent, which starts this week with Ash Wednesday. Lent is the time of year during which we journey with Jesus towards the great yes he said with his whole being when he died on the cross. Jesus was prepared to say yes to his father, yes to life even if it meant death.

Lent is a time when we support the work of Caritas Australia in a special way through Project Compassion. Caritas Australia helps to empower some of our most marginal sisters and brothers; it embraces some demanding situations because it says yes to our neighbours.

The theme for Project Compassion is *For All Future Generations*. This year, that theme asks us to think about the great yes that Mary said when the angel told her that she was to become the mother of Jesus. She freely accepted a unique place in the history of the human family.

The great prayer she shared with her cousin Elizabeth, says 'all generations will call me blessed.' Her 'yes' is *For All Future Generations*. Hopefully, ours can be the same.

PRAYER OF INTERCESSION

We pray for the ability to understand that God's wisdom is greater than ours. May our support for Project Compassion enable us to join Mary in saying yes to God's plan of justice for the whole human family.

ASH WEDNESDAY REFLECTION

**TERESA,
AUSTRALIA**

**THU,
VIETNAM**

It was not many years ago that every school and parish had an incinerator. At our school, one of the jobs of the class monitor was to take out the trash and set fire to it. It is uncomfortable to think now about how much soot we put into the atmosphere. Not to mention the fumes of burning plastic and other things. The word recycling was still a few years away; frankly, it's a pity it didn't enter our vocabulary a bit sooner.

One time, two members of our class decided to start throwing ash at each other. They made an unholy mess and ended up looking like wrecks. The teacher made them write out fifty times the line from today's Psalm: 'O wash me more and more from my guilt.' With benefit of hindsight, I can see that the Psalm has bigger things on its mind than ten-year-olds getting dirty in the incinerator. The focus of the Psalm is far more on God's mercy and kindness

than our silly behaviour. It asks for strength, a 'steadfast spirit.' It also asks for the gift of intimacy with God. 'Do not cast me away from your presence.'

Later, I discovered that at school the teachers used ashes from the incinerator to place on our foreheads on Ash Wednesday. I don't think this was the correct procedure and was, I think, a matter of convenience. Yet it does seem to make a point. When we receive the ashes, we are asked to remember that we are dust and will return to dust. The journey of Lent takes in hope from a place of humility to one of light. The things we throw away, the people we disregard, are the very place we can encounter God.

Project Compassion, organised by Caritas Australia, is a great way of embracing the journey of Lent. It asks us to remember that there are people

in the world who are often treated like rubbish. Metaphorically, they live among the ashes. Our decisions can make a huge impact on helping them journey with hope into light. The rituals of Ash Wednesday have a special meaning for all of us. They call us to recognise the humanity we share with others and to return with our hearts to the God of justice. Like Mary, we are called to be a blessing for all generations to come.

PRAYER OF INTERCESSION

We pray for all who are trying to rise from the ashes in their lives. May our support for Project Compassion remind us that now is the time to turn to the Lord with all our hearts and embrace the needs of God's whole family.

1ST SUNDAY OF LENT

WEEKEND OF 25-26 FEBRUARY 2023

**LAXMI'S STORY,
NEPAL**

16-year-old Laxmi lives in one of the most remote communities in Nepal which experiences high levels of poverty.

Laxmi's chance at a better life was through education, supported by her parents. Sadly, when she was 10 years old, her father passed away and Laxmi stopped going to school.

Before her father's passing, Laxmi joined a child's club at her school that was run with the support of Caritas Nepal, through the Nepal Livelihoods and Resilience Program. Child's clubs support students to develop their speaking, writing and leadership skills through extracurricular activities.

Thanks to the support of her child's club, Laxmi was encouraged to resume her education. She became an active member of her child's club, where she developed the skills and confidence to become a leader, advocating for clean water taps at her school.

"If I don't get to study, then I'll experience hardship. I'll have to struggle like mother. If I don't get to study, then I'll have no knowledge," Laxmi said.

Laxmi is now excelling in her studies and working towards her dream of becoming a civil engineer. She has become a mentor to other girls in her village, encouraging them to stand up for their rights and creating lasting change *For All Future Generations*.

REFLECTION

Nelson Mandela said that education was the most powerful weapon we can use to change the world. There are plenty of people who would agree with him. One of them is Oprah Winfrey who said that education was the way to move mountains, build bridges and to change the world.

Today's readings certainly suggest the value of reading. The story from the Book of Genesis comes from pre-history. It has often been misunderstood to suggest that sin entered the world through one woman. This is not true. On the contrary, the readings tell us that the world is good. When humans try to overstretch their boundaries, trouble follows and the experience of beauty and harmony is threatened. We need to choose our teachers. Are we going to listen to God or the serpent? In our modern world, the serpent takes many forms. There are many threats to the harmony of the human race and the beauty of our natural environment.

Likewise, today's story of the temptations in the wilderness from Matthew's Gospel shows us that some lessons are difficult. Jesus actually teaches the devil. He tells the evil one that God is in charge. Jesus has to decide which voices he will follow. He has to learn that some ideas may

not be as good as they sound. All the kingdoms of the world, Jesus learns, are no substitute for an honest and life-giving relationship with God.

Each week during Lent, Caritas Australia asks us to think about a special story. The story focuses on someone who has benefitted from your generosity through Project Compassion. This week, we hear about 16-year-old Laxmi who lives in a remote part of Nepal. Your help has enabled her to overcome family hardship to pursue her education. She was tempted to give up on school. But Project Compassion enabled her to follow a more positive direction and to realise what she could achieve for her community by becoming an engineer. The evil spirit will always get us to focus on what we don't have. The spirit of light will show us what is truly possible.

2ND SUNDAY OF LENT

WEEKEND OF 4-5 MARCH 2023

REFLECTION

Think for a moment about some of the things you have on your walls at home. They don't have to be fancy or expensive. They might be photos of your family or perhaps of deceased grandparents. They might be prints of famous paintings or posters with sayings that mean a lot to you. It is very common that Christians have special things: crucifixes or images of saints.

All of these things inspire us in one way or another. If ever you have had to pack up to move house and looked at your bare walls as you leave, they will seem empty and colourless. Art is one of the things that transfigures our world and makes it more beautiful. Other things do this as well: laughter, tears, cooking, music, hugs and sharing stories. They all transfigure our houses and allow us to see them as homes. They unlock the true potential of an otherwise ordinary space.

This week Project Compassion, organised by Caritas Australia, presents us with the story of Tereesa, a 27-year old Indigenous woman from western Sydney, the area with the largest urban Indigenous population in the country. Tereesa became pregnant at the age of 16. With your help, Project Compassion has been able to support the Mums and Bubs program run by Baabayn Aboriginal Corporation. This allowed Tereesa to

find accommodation, gain skills and continue her education. She was also able to connect with her culture. Her glorious artwork was featured on the Wulugul Walk during Sydney's Vivid Festival last year. Her use of light and colour transfigured the environment where it was displayed. In so many places, Project Compassion helps people to achieve their vision.

Of course, the transfiguration of Jesus is unique. We hear in today's Gospel that Jesus took his closest friends to the top of a high mountain. His face shone like the sun and his face became 'as white as the light.' A voice from heaven said "this is my beloved son; listen to him." Peter said how wonderful it was to be there. The transfiguration may have only lasted a few minutes but it was clear that Jesus' friends never forgot it. Like a work of art on a wall, the memory made the world seem very different. During Lent, we are also called to transfigure the world, to make a difference.

PRAYER OF INTERCESSION

We pray for all people who are a source of hope in the world, who help to transfigure darkness into light. May our support of Project Compassion help to keep alive our vision of Christ as the one we should most listen to, the light of the world.

FUNDRAISING IDEA

Each Sunday, play the short film introducing that week's featured story (found on the Project Compassion USB) to highlight the positive impact your community is making. Integrate weekly stories, reflections and prayers into Mass (found in this booklet and on the USB) to further emphasise how your community's donations are transforming the lives of vulnerable people around the world.

TEREESA'S STORY, AUSTRALIA

A young Gamilaroi woman born and raised on Darug land, Tereesa felt disconnected from her culture. At just 16 years old, she had to leave school after falling pregnant with her first child. A single mother struggling with homelessness, Tereesa's only concern was finding stability for her children.

"I was homeless. I didn't have a place to call home...my kids never had a connection to the community," Tereesa said.

Seeking a better future for her children, Tereesa joined Baabayn Aboriginal Corporation's Young Mums and Bubs program, supported by Caritas Australia. Baabayn helped Tereesa access housing for her family and psychological support.

Through the program Tereesa reconnected with her culture through Indigenous art. Her artistic skills flourished, and her artwork was chosen for the Vivid Festival in Sydney in 2022.

"I don't think I'd be the person I am today without Baabayn and being part of the mum's group has brought out a lot of creativity in my bones that I didn't even know I had," Tereesa said.

Today, Tereesa works at Baabayn, providing support to young mothers and mentoring the next generation of young people.

3RD SUNDAY OF LENT

WEEKEND OF 11-12 MARCH 2023

**PRISCILLA'S STORY,
ZIMBABWE**

Climate change continues to bring unprecedented challenges for people living in the most vulnerable and remote communities in Zimbabwe.

Priscilla lives with her husband and two grandchildren in the Hwange region. With the support of Caritas Hwange, Priscilla and her community learnt conservation farming to grow drought-resistant crops.

Her increased harvest allowed Priscilla to sell her crops and start poultry farming, selling eggs to grow her income stream and pay for her grandchildren's education. Caritas Hwange also helped rehabilitate the dip tank in her community so that Priscilla's cattle can be healthy and free from tick-borne diseases.

While the situation in Zimbabwe and across eastern Africa remains dire, the work of Caritas Hwange has helped Priscilla acquire the knowledge and skills she needs to diversify her income and support her family during the current food crisis.

"Today we have knowledge and skills that we didn't have before and are able to use to earn a living," Priscilla said.

REFLECTION

Every summer seems to get a little longer and a little hotter. We have all become conscious of issues surrounding water. Either there seems to be too much, as during last year's summer floods or when the sea levels rise in the Pacific. Other times, there seems to be too little water as when the rivers in our country run low or members of God's family around the world experience drought. Caritas Australia, through Project Compassion, has been responding to the dire needs of places such as Ethiopia and Somalia where a cruel drought, compounded by a shortage of grain from Ukraine, has led to dire consequences.

Today's readings may well cause us to reflect on the current state of God's creation. In the book of Exodus, we hear that people are complaining to Moses because they are dying of thirst. In the Gospel, Jesus meets a woman in a Samaritan town. She has come to draw water from the well in the hottest part of the day. In both cases, access to water is precarious. Yet God responds not only to a thirst for water but to a deeper thirst as well. Moses' people are thirsty for direction, leadership and hope. The woman in John's Gospel has a thirst for love and acceptance which, Jesus tells her, will come from within if she is able to accept him and his message of life.

As the story unfolds, we learn of her loneliness and see her reconnecting with her community.

This week, Caritas Australia shares with us an account of its response to a water shortage in Zimbabwe. Thanks to our support for Project Compassion, Caritas Australia is involved in providing access to water in many places. It seems such a basic thing. One we mostly take for granted. But once a community has access to water, it grows in every possible way. People have more time for health care and education. People find energy to build their future. This week's scripture readings have a strong sense of a hope-filled future. May we too, in our time, be sources of hope *For All Future Generations.*

4TH SUNDAY OF LENT

WEEKEND OF 18-19 MARCH 2023

**THU'S STORY,
VIETNAM**

REFLECTION

There are many occasions when we ask the question why and can't find the answer for which we are looking. Why did we miss out on a job? Why did someone we love get cancer? Why can't we find a place to live that we can afford? Why do some days seem so difficult?

It is good to sit with our confusion and even grief. It is good to share it with the Lord who loves us so tenderly. But sometimes we have to step aside from the question *why did this happen?* It may be better to start with *where can I go from here?* What small steps will enable me to face the future in a positive spirit?

Today's readings touch upon these issues. In the Gospel, Jesus encounters a person who was born blind. The bystanders want to know why this happened. They think it must be because either he or his parents did something wrong. They are looking backwards. Jesus prefers to look forward. He says *"he was born blind so that the works of God may be displayed in him."* In other words, his blindness presents opportunities for growth, not a pretext for blame. The letter to the Ephesians similarly reminds us that we are on a journey from darkness to light. The whole of Lent could be described in those words. The letter says 'try to discover

what the Lord wants of you.' It asks us in terms of possibilities! The same thing happens when Samuel anoints David. It doesn't matter that David is a young shepherd. He has a big future, as anyone familiar with the Bible well knows.

This week Project Compassion shares with us the story of Thu, who lives in Vietnam. At the age of 12, Thu's life was thrown into chaos when he trod on a land mine that had been left behind after the Vietnam War. Surely, he must have asked why he was among the unlucky ones. He might have asked the same thing again when his wife suffered a stroke. But Thu joined the Empowerment of People with Disabilities program, supported by Caritas Australia through our local partners, the Centre for Sustainable Rural Development. As with so many others, your generosity enabled Thu and his family to build a brighter future. Thank you for helping in this wonderful work of transformation.

When Thu was 12 years old, he lost his leg after stepping on an unexploded land mine – from the Vietnam War. Living with a disability in rural Vietnam presented many challenges for Thu, who worked mainly as a rice farmer. After his wife, Linh, suffered a stroke, he had to take on the additional role of carer for his wife.

"She is my wife and we have been living together and depending on each other, I am the one to be there with her and for her," Thu said.

Thu joined the Empowerment of People with Disabilities program, supported by Caritas Australia through our local partners, the Centre for Sustainable Rural Development (SRD).

Through the program, Thu learnt livelihood, financial and independent living skills and joined a Village Savings and Loans Association (VSLA) where he could interact with other people with disabilities and earn income through making incense sticks.

The VSLA helped Thu to obtain a loan so that he could set up a barber shop and earn extra income to support his family. The project also helped Thu to build an accessible toilet for Linh, who has become more independent thanks to the support of a physiotherapist.

PRAYER OF INTERCESSION

We pray for those who live in confusion and doubt. May we try to support positive approaches to even the most difficult problems, such as the partnerships created by Caritas Australia through Project Compassion.

FUNDRAISING IDEA

Host an information night to raise awareness of vulnerable people around the world. Visit www.caritas.org.au for some discussion points to get the conversation flowing!

5TH SUNDAY OF LENT

WEEKEND OF 25TH-26TH MARCH

WHAT IS PROJECT COMPASSION?

FOR ALL FUTURE GENERATIONS

Project Compassion is Caritas Australia's main annual fundraising campaign. It mobilises Australians to raise much-needed funds to help alleviate poverty, promote justice and uphold dignity in the most marginalised communities in the world.

Spanning across the six weeks of Lent each year, Project Compassion brings thousands of Australian schools, parishes and supporters together to stand in solidarity with people living in vulnerable communities across Asia, Africa, the Pacific and with First Nations people in Australia.

Project Compassion is a demonstration of the faith, empathy and generosity of our supporters. It is the lifeblood of Caritas Australia – without it, we could not do the vital work that we do.

The theme of Project Compassion is *For All Future Generations*. This year, we focus on the stories of four remarkable, resilient people from Nepal, Zimbabwe, Vietnam and Australia. Each of these stories demonstrates the powerful impact that each one of us can have *For All Future Generations*.

REFLECTION

It must be difficult for somebody who has never experienced love to understand the Gospels. They are so full of different emotions, many of them tender. Just think of the beautiful reconciliation between Jesus and Peter after the resurrection. Jesus allows Peter to say that he loves him on no less than three occasions. Thankfully, most of us can write down a long list of people we have loved and also of those who have loved us. Many names would appear on both lists! We keep a special place in our hearts and prayers for the people we know who have died. Even after a long time, their memory will still bring a tear to our eyes. That sorrow comes from a place of deep gratitude. God changes the world one heart at a time.

When we encounter today's Gospel, the story of the raising of Lazarus, we are in a world of emotion. Martha and Mary are grieving for their brother. Jesus loves these two women. Thomas, the twin, is full of bravado and bluster, just as he was later when he wanted proof of the resurrection. Both Martha and Mary are disappointed, even angry, that Jesus has not come sooner. Jesus weeps at the grave of his friend. The mourners who have come to comfort the family must also have been sensitive to the situation. When

Jesus says *"I am the resurrection and the life"* he is not explaining an idea. He is responding to the deepest longings of our hearts, as he always does. Today's Psalm reminds us *'My soul is longing for the Lord more than the watcher for daybreak.'*

Over the last few weeks we have shared some of the stories presented to us by Caritas Australia to make us more aware of the inspirational work we can support through Project Compassion. There have been stories from Zimbabwe, Vietnam, Nepal and First Australians. Through your generosity, Caritas Australia is able to support partners in 18 different countries. These are all people who, not unlike Lazarus, are longing to be unbound and set free. The Gospel calls us to believe in the Life to which Jesus invites us; that Life is built on justice and compassion.

PRAYER OF INTERCESSION

We give thanks for all the people who fill our lives with love. We pray for all those who do not feel loved, especially those yet to appreciate the depth of God's love. May our support for Project Compassion be a sign to others of the love of God for all people.

FUNDRAISING IDEA

Ask your parishioners to bring in a meal or light refreshments to share after mass. Discuss what impact basic schooling has on the most vulnerable around the world. Ask the question, *"where would you be now if you didn't receive schooling?"*

PALM SUNDAY

WEEKEND OF 1-2 APRIL

HOLY WEEK

REFLECTION

It is only once in every three years that we publicly share together Matthew's full account of the arrest, trial and death of Jesus. Today is that day. Matthew's passion is rich in every sense of the word. It is the longest account of what Jesus endured and it also has the most diverse cast of characters. Only Matthew devotes time not only to the tragic fate of Judas, who was filled with remorse, but even to the thirty pieces of silver that were used to buy a cemetery for foreigners called the Field of Blood. Only Matthew tells us about the dream of Pilate's wife which leads her to send a message to her husband that he should have nothing to do with Jesus. Matthew's Gospel features a number of dreams. Joseph is told in a dream to take Mary as his wife, to flee with his family to Egypt and later to return from Egypt. Dreams are one of the many links between Matthew's Gospel and the Hebrew scriptures.

This is by no means to say that Matthew's Gospel is merely an interesting piece of literature. It is only to suggest that, in Holy Week, Matthew's Passion is a wonderful encounter to enter slowly as we spend time with the Lord, allowing the mystery of the cross to deepen

within us. One commitment we might make is to take a section each day this week and stay with it for ten minutes.

Monday: Mt 26: 14-35

Tuesday: Mt 26: 36-56

Wednesday: Mt 26: 57-75

Thursday: Mt 27: 1-26

Friday: Mt 27: 27-56

Saturday: Mt 27: 57-66

The trial and death of Jesus reminds us of the tragedy of injustice that continues to this day in so many places around the world. Throughout Lent, Caritas Australia, through Project Compassion, has attempted to draw our attention to many important issues in our world. We have been invited to take up the cross and follow Jesus in our own time. We can pray, with Jesus, *'Let it be as you, not I, would have it.'*

It's through the generosity of people like you that we can continue to support people like Laxmi, Tereesa, Priscilla and Thu.

The funds you raise can help vulnerable communities around the world improve their access to food and clean water, support education and skills training, help families to increase their income and provide training in disaster risk reduction. Together, we can continue to transform lives today – and For All Future Generations.

PRAYER OF INTERCESSION

We pray that the mystery of the death of Jesus will deepen within our hearts. May we be ready to take up the cross in our time, especially as we support those who experience injustice throughout the world.

FUNDRAISING IDEA

Encourage each parishioner to donate on Easter Sunday using the Project Compassion Easter Envelope distributed by a volunteer at the door as parishioners enter or leave Mass (contact your Diocesan Director for envelopes if these have not been provided). Remember to turn over your Project Compassion poster after Easter to show the Project Compassion Thank You poster, acknowledging the generosity of parishioners this year.
